

St. Malachy's College
36 Antrim Road, Belfast BT15 2AE

May 2022

Dear Parent / Carer,

Arrangements for the last day of school – Wednesday 18th May 2022

As you are aware, Year 14 students' last day of school is **Wednesday 18th May 2022**. In the morning Year 14 students will have a final assembly and then breakfast will be provided in the College canteen. The students will then be permitted to depart the College early to begin study leave. We would like to remind all students and parents that behaviour should be exemplary at all times. **Please note that there will be public examinations being sat on our Leavers' Day, and so our environment must remain calm.** In the event of any misbehaviour, students may be asked to find a different examination centre to sit their examinations and/or will be instructed to leave the premises without completing the celebrations of the day, and parents informed.

Leavers' Mass - College Chapel

Unfortunately, due to the continuing presence of Covid in our society, we cannot celebrate our Year 14 Leavers' Mass with parents/carers. However, we will be remembering the students' seven years as Malachians in their registration groups at the following times, in the College Chapel:

Service 1: Monday 16 May Period 3

14 P
14 R
14 S

Service 2: Tuesday 17 May Period 3

14 Q
14 T

Study leave

During their study leave, Crollly Study will be available for students wishing to study in a quiet manner. We would encourage students to use this facility when they do not have an examination. It is important that students check their examination timetable and ensure that they know the exact times and dates of all their examinations. JCQ examination protocol has been outlined in detail to the boys, this must be observed. Students must ensure that they are punctual for all examinations. When students are in school – whether studying in the Crollly study, seeing teachers or doing examinations, they must adhere to uniform, hair and all other regulations.

Finally, on behalf of Mr McBride and all our staff, I would like to take this opportunity to wish our boys every success in their final examinations. We feel a tinge of sadness at this time as we prepare to let our Year 14 men go and get ready for the next stage of their young adult lives. However, we are so proud of their achievements to date and are happy that they have turned into very fine and good men, and nourished by our motto "Gloria ab Intus". Thank you for your continuing support of the life and work of the College!

Yours faithfully,

Mrs S. Rayot
Head of Sixth Form
